CD Rates

Are your CDs coming due? Banks need you to keep your money with them. They are paying around 1.5%. It's called 'the best we can offer at this time.' Need 3.00%? Call Timothy Snyder, (419) 882-1102

Long Term Care

LTC is Long Term Care which refers to long term care insurance, which pays for nursing home care costs. If you haven't heard of it, get ready. Major changes are planned for everybody to pay out of pocket for these costs. We already have a 5 year look-back before Medicaid will consider paying anything. Learn the facts and understand the rules. If you are 50-65 years old and older, this should be considered part of your retirement planning. Call Timothy Snyder, (419) 882-1102

Nursing

Are you planning on a nursing home stay six years from now? Of course you're not, nobody does. Or do they? Medicare and Medicaid now have a 5 year look back rule before benefits will be provided. Is your retirement savings intended for you and your wife or a nursing home? The State of Ohio does not want to pay for your stay in a nursing home today or in 6 years. They make the rules and their rules are subject to change at any time. Be prepared. Call Tim Snyder at 419-882-1102 or estate planning attorney Lon Lutz at 419-578-9211. Note: Lon is a member of West Toledo Council 3122.

Widows

Before she becomes your widow, open a savings account with your K of C council. Give her options she will not have if you wait any longer. This will give her another choice after you're gone to put your saving in a safe and guaranteed account to protect her and your family. Call Tim Snyder at 419-882-1102.

Life Insurance

Want you council's membership to go? Ask your sons, grandsons, nephews and son-in-laws to join the KofC. Why should they join? Money. Can we save them money with better life insurance at a lower rate commercial companies offer? Yes we can. The savings may be only \$50 a month, but most council dues are less than \$50 a year! Call Timothy Snyder, (419) 882-1102

Legal Advice

Need some legal questions answered? Call our K of C attorneys Matthew Weisenburger, Tom Weisenburger and Lon Lutz for any concerns you may have, including tax questions, retirement and estate planning. Matthew Weisenburger is at 419-321-6444. Tom Weisenburger is at 419-321-6444 and Lon Lutz is at 419-578-9211. Note: Matthew and Tom are members of South Toledo, St. Jude Council 3904. Lon is a member of West Toledo Council 3122.
